

Garbage, Yard Waste, Recycling

- Service provided by Westside Disposal which is the same company as U. P. Refuse
- Service includes garbage, yard waste, and recycling
- Fircrest requires all households to have garbage service
- We do offer a four month waiver for those who may snowbird in the winter or travel at some other time.
- The garbage service monthly rate would decrease (approx. \$5-\$6) for residents who currently pay for garbage and yard waste
- For those who currently just pay for garbage service, there would be a slight increase (approx. \$1-\$3) but would gain yard waste service
