## Thank you from the Fircrest Parks & Recreation Department

.....to every sponsor, volunteer, parent, coach and player that participated in one of our programs or special events this past year.

Our youth sports program is built around volunteers and we could not offer soccer, baseball or basketball without our parent coaches.

In addition, Parks and Rec staff rely heavily on volunteers to assist with the many events that residents enjoy each year. It takes a community to make these events happen.

We would like to extend a special thank you to Fircrest Kiwanis Club, Westside Disposal, Team Insurance and all of the other committees, groups and local businesses that continue to make Fircrest a great place to live, work and play.
