

Mark your calendar:

The Street Sweeper Is Coming!

Help us keep our waterways clean.

When the street sweepers are in your area please:

1. Move vehicles off the street between 7 a.m. and 3 p.m.
2. Remove garbage, recycling and yard waste containers from the street.
3. Trim low-hanging branches and bushes near the street to provide sweepers complete access (at least 14 feet from the ground).

For more information contact

The Public Works Department
(253) 564-8900

What goes down storm drains in the City of Fircrest flows directly – untreated – into local lakes, rivers, streams and Puget Sound. The Street Sweeping Program helps to pick up debris and contaminants and keeps it out of our stormwater system, and out of our waterways.

NOTE: Street sweeping times are tentative and are subject to change due to weather, unforeseen circumstances or other priority activities.

There are four (4) zones:

ZONE 1 – Week 1

The area swept is from Orchard to 19th to 67th to Regents.

ZONE 3 – Week 3

The area swept is from Alameda to 44th/Fordham to Rosewood to Sunrise to Claremont to 67th.

ZONE 2 – Week 2

The area swept is from Orchard to Regents to Fairway to Daniels Dr. to Altadena and Holly.

ZONE 4 – Week 4

The area swept is from Orchard thru the Commons thru Estate Place up to Emerson to Alameda to Annapolis

Check the other side of this flyer for a more detailed zone map
