

**CITY OF FIRCREST
ORDINANCE NO. 1610**

**AN ORDINANCE OF THE CITY OF FIRCREST, WASHINGTON,
DECLARING AN EMERGENCY RELATING TO THE REPAIR AND
REPLACEMENT OF THE WATER MAIN LOCATED ALONG
WEATHERVANE AVENUE BETWEEN 44TH STREET AND
WEATHERVANE COURT AND WAIVING THE PUBLIC BIDDING
REQUIREMENTS OF RCW 39.04.280 TO PERFORM THE WATER
MAIN RELOCATION WORK.**

WHEREAS, the City of Fircrest operates a water distribution system; and

WHEREAS, the City of Fircrest water main at the above location had a failure and rupture in the water main; and

WHEREAS, the City of Fircrest has determined that the break in the water main has diminished fire flow availability in the area; and

WHEREAS, the City needs to repair and replace this broken water main constitutes an emergency due to unforeseen circumstances beyond the control of the City, which presents a real, immediate threat to the proper performance of the essential functions of the City's water system or will likely result in material loss or damage to property, bodily injury or loss of life if action is not immediately taken to relocate the water main on Weathervane Avenue; and

WHEREAS, the City staff has recommended (a) the water main be relocated immediately, (b) an emergency be declared to proceed with work as soon as possible to complete the relocation and the formal bidding requirements set forth in RCW 39.04.280 applicable to the City be waived to immediately obtain a qualified and responsible contractor to undertake this work; and

WHEREAS, the Fircrest City Council passed Resolution No. 1500 at its November 14, 2017 regular Council meeting declaring an emergency relating to the repair and replacement of the water main located along Weathervane Avenue between 44th Street and Weathervane Court and waiving the public bidding requirements of RCW 39.04.280 to perform the water main relocation work; and

WHEREAS, the Fircrest City Council Rules of Procedures Rule 22F requires that affirmative vote of at least a majority of the whole Council plus one (5 Councilmembers) is required for the passage of public emergency ordinances (which take effect immediately); and

WHEREAS, an ordinance declaring an emergency for the Weathervane Waterline Replacement project should be approved in order to be in compliance with the aforementioned Rule 22F; and

WHEREAS, the Fircrest Department of Public Works Washington is adhering to State guidelines force account work, and is working with Pape & Sons Construction, Inc. to complete the Weathervane water repair and replacement. Now, Therefore,
