## Legislative versus Quasi-judicial

## **Legislative** (*Making the Rules*):

- •Broad policy decision
- •Establishing the standards and regulations
- •Few procedural requirements
- •Decision based upon vision and goals
- Limited liability

## **Quasi-judicial** (*Applying the Rules*):

- •Specific application decision
- Applying the standards and regulations
- •Strict procedural requirements
- Decision based upon facts and evidence
- •Huge liability

## Legislative v. Quasi-judicial Roles
