

# Overview

The Fircrest Police Telephone Reassurance Program is a way to promote security and peace of mind for "at risk" older adults or disabled Fircrest residents. A staff member will call you once a week on a prearranged day to verify your well-being. If we cannot reach you, we will reach out to local contacts you've provided us with and request they check on you. If no one can be reached a Fircrest officer will stop by your home and do a Welfare Check.
