Section 2. Findings and Determinations. The City takes note of the following facts and makes the following findings and determinations:

(a) *Authority and Description of Project.* The City is in need of rebuilding, renovating and improving the City's pool, community center and parks, and other capital purposes. The City Council therefore finds that it is in the best interests of the City to carry out the Project.

(b) *Voter Authorization of Bonds.* At an election held on April 23, 2019, pursuant to Ordinance No. 1631, the requisite proportion of the City's qualified voters passed Proposition 1 and approved the issuance of not to exceed \$13,500,000 principal amount of bonds for the purpose of providing funds necessary to carry out the Project, and the collection of excess property taxes in amounts sufficient to pay the principal of and interest on those bonds.

(c) *Plan of Financing.* Pursuant to applicable law, including without limitation chapters 35.37, 35.40, 39.36, 39.44, 39.46 and 39.52 RCW, the City is authorized to issue general obligation bonds for the purpose of financing the Project, which is a capital purpose only and does not include the replacement of equipment. The total expected cost of the Project is approximately \$18,000,000, which is expected to be made up of proceeds of the Bonds, donations, grants and other available money of the City.

(d) *Debt Capacity.* The maximum amount of indebtedness authorized by this ordinance is \$10,000,000. Based on the following facts, this amount is to be issued within the amount permitted to be issued by the City with voter approval for general municipal purposes:

- (1) The assessed valuation of the taxable property within the City as ascertained by the last preceding assessment for City purposes for collection in the calendar year 2019 is \$906,305,987.
- (2) As of September 1, 2019, the City had no limited tax general obligation indebtedness, which is incurred within the limit of up to 1½% of the value of the taxable property within the City permitted for general municipal purposes without a vote.
- (3) As of September 1, 2019, the City had no unlimited tax general obligation indebtedness.

(e) *The Bonds.* For the purpose of providing the funds necessary to carry out the Project and to pay the costs of issuance and sale of the Bonds, the City Council finds that it is in the best interests of the City and its taxpayers to issue and sell the Bonds to the Purchaser, pursuant to the terms as approved by the City's Designated Representative consistent with this ordinance.

Section 3. Authorization of Bonds. The City is authorized to borrow money on the credit of the City and issue negotiable unlimited tax general obligation bonds evidencing indebtedness in one or more Series in the aggregate principal amount not to exceed \$10,000,000 to provide funds necessary to carry out the Project and to pay the costs of issuance and sale of the Bonds. The proceeds of the Bonds allocated to paying the cost of the Project shall be deposited as set forth in Section 8 of this ordinance and shall be used to carry out the Project, or a portion of the Project, in such order of time as the City determines is advisable and practicable.

Section 4. Description of Bonds; Appointment of Designated Representative. The City Manager, or the Finance Director in the absence of the City Manager, is appointed as the

Designated Representative of the City and is authorized and directed to conduct the sale of the Bonds in the manner and upon the terms deemed most advantageous to the City, and to approve the Final Terms of each Series of the Bonds, with such additional terms and covenants as the Designated Representative deems advisable, within the following parameters.

(a) The Bonds may be issued in one or more Series, and the aggregate principal amount of the Bonds shall not exceed \$10,000,000;

(b) One or more rates of interest may be fixed for the Bonds as long as no rate of interest for any maturity of the Bonds exceeds 5.50%;

(c) The true interest cost to the City for each Series of Bonds does not exceed 4.50%;

(d) The aggregate purchase price for each Series of Bonds shall not be less than 95% and not more than 135% of the aggregate stated principal amount of the Bonds, excluding any original issue discount;

(e) The Bonds may be issued subject to optional and mandatory redemption provisions;

(f) The Bonds shall be dated as of the date of their delivery, which date and time for the issuance and delivery of the Bonds is not later than February 13, 2020; and

(g) Each Series shall mature within 25 years of the Issue Date.

In addition, a Series of the Bonds may not be issued if it would cause the indebtedness of the City to exceed the City's legal debt capacity on the Issue Date. The Designated Representative may determine whether it is in the City's best interest to provide for bond insurance or other credit enhancement; and may accept such additional terms, conditions and covenants as he or she may determine are in the best interests of the City, consistent with this ordinance.

In determining the number of series, the series designations, final principal amounts, date of the Bonds, denominations, interest rates, payment dates, redemption provisions, tax status, and maturity dates for the Bonds, the Designated Representative, in consultation with other City officials and staff and advisors, shall take into account those factors that, in his or her judgment, will result in the lowest true interest cost on the Bonds to their maturity, including, but not limited to current financial market conditions and current interest rates for obligations comparable to the Bonds.

Section 5. Bond Registrar; Registration and Transfer of Bonds.

(a) *Registration of Bonds.* Each Bond shall be issued only in registered form as to both principal and interest and the ownership of each Bond shall be recorded on the Bond Register.

(b) *Bond Registrar; Duties.* The Fiscal Agent is appointed as initial Bond Registrar. The Bond Registrar shall keep, or cause to be kept, sufficient books for the registration and transfer of the Bonds, which shall be open to inspection by the City at all times. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the City's paying agent

for the Bonds and to carry out all of the Bond Registrar's powers and duties under this ordinance. The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's Certificate of Authentication on each Bond. The Bond Registrar may become an Owner with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Owners.

(c) *Bond Register; Transfer and Exchange.* The Bond Register shall contain the name and mailing address of each Registered Owner and the principal amount and number of each Bond held by each Registered Owner. A Bond surrendered to the Bond Registrar may be exchanged for a Bond or Bonds in any Authorized Denomination of an equal aggregate principal amount and of the same Series, interest rate and maturity. A Bond may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to the Owner or transferee. The Bond Registrar shall not be obligated to exchange any Bond or transfer registered ownership during the period between the applicable Record Date and the next upcoming interest payment or redemption date.

(d) *Securities Depository; Book-Entry Only Form.* If a Bond is to be issued in book-entry form, DTC shall be appointed as initial Securities Depository and each such Bond initially shall be registered in the name of Cede & Co., as the nominee of DTC. Each Bond registered in the name of the Securities Depository shall be held fully immobilized in book-entry only form by the Securities Depository in accordance with the provisions of the Letter of Representations. Registered ownership of any Bond registered in the name of the Securities Depository may not be transferred except: (i) to any successor Securities Depository; (ii) to any substitute Securities Depository appointed by the City; or (iii) to any person if the Bond is no longer to be held in book-entry only form. Upon the resignation of the Securities Depository, or upon a termination of the services of the Securities Depository by the City, the City may appoint a substitute Securities Depository. If (i) the Securities Depository resigns and the City does not appoint a substitute Securities Depository, or (ii) the City terminates the services of the Securities Depository, the Bonds no longer shall be held in book-entry only form and the registered ownership of each Bond may be transferred to any person as provided in this ordinance.

Neither the City nor the Bond Registrar shall have any obligation to participants of any Securities Depository or the persons for whom they act as nominees regarding accuracy of any records maintained by the Securities Depository or its participants. Neither the City nor the Bond Registrar shall be responsible for any notice that is permitted or required to be given to a Registered Owner except such notice as is required to be given by the Bond Registrar to the Securities Depository.

(e) *DTC Letter of Representations.* To induce DTC to accept the Bonds as eligible for deposit at DTC, the City approves the Letter of Representations. The Finance Director of the City is authorized and directed to execute the Letter of Representations, on behalf of the City, and to deliver it to DTC on or before the Issue Date.

Section 6. Form and Execution of Bonds.

(a) *Form of Bonds; Signatures and Seal.* Each Bond shall be prepared in a form consistent with the provisions of this ordinance and State law. Each Bond shall be signed by the Mayor and the City Clerk, either or both of whose signatures may be manual or in facsimile, and the seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon. If any officer whose manual or facsimile signature appears on a Bond ceases to be an officer of the City authorized to sign bonds before the Bond bearing his or her manual or facsimile signature is authenticated by the Bond Registrar, or issued or delivered by the City, that Bond nevertheless may be authenticated, issued and delivered and, when authenticated, issued and delivered, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although he or she did not hold the required office on its Issue Date.

(b) *Authentication.* Only a Bond bearing a Certificate of Authentication in substantially the following form, manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance: "Certificate Of Authentication. This Bond is one of the fully registered City of Fircrest, Washington, Unlimited Tax General Obligation Bonds, 2019, described in the Bond Ordinance." The authorized signing of a Certificate of Authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated and delivered and is entitled to the benefits of this ordinance.

Section 7. Payment of Bonds. Principal of and interest on each Bond shall be payable in lawful money of the United States of America. Principal of and interest on each Bond registered in the name of the Securities Depository is payable in the manner set forth in the Letter of Representations. Interest on each Bond not registered in the name of the Securities Depository is payable by electronic transfer on the interest payment date, or by check or draft of the Bond Registrar mailed on the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. However, the City is not required to make electronic transfers except pursuant to a request by a Registered Owner in writing received on or prior to the Record Date and at the sole expense of the Registered Owner. Principal of each Bond not registered in the name of the Securities Depository is payable upon presentation and surrender of the Bond by the Registered Owner to the Bond Registrar. The Bonds are not subject to acceleration under any circumstances.

Section 8. Funds and Accounts; Deposit of Proceeds.

(a) *Bond Fund.* The Bond Fund is created as a special fund of the City for the sole purpose of paying principal of and interest and any redemption premium on the Bonds. Bond proceeds in excess of the amounts needed to pay the costs of the Project and the costs of issuance, if any, shall be deposited into the Bond Fund. All amounts allocated to the payment of the principal of and interest on the Bonds shall be deposited in the Bond Fund as necessary for the timely payment of amounts due with respect to the Bonds. The principal of and interest on the Bonds shall be paid out of the Bond Fund. Until needed for that purpose, the City may invest money in the Bond Fund temporarily in any legal investment, and the investment earnings shall be retained in the Bond Fund and used for the purposes of that fund.

(b) *Project Fund.* The Project Fund is created as a fund of the City for the purpose of paying the costs of the Project. Proceeds received from the sale and delivery of the Bonds shall be deposited into the Project Fund and used to pay the costs of the Project and costs of issuance of the Bonds. Until needed to pay such costs, the City may invest those proceeds temporarily in any legal investment, and the investment earnings shall be retained in the Project Fund and used for the purposes of that fund, except that earnings subject to a federal tax or rebate requirement (if applicable) may be withdrawn from the Project Fund and used for those tax or rebate purposes.

Section 9. *Redemption Provisions and Purchase of Bonds.*

(a) *Optional Redemption.* The Bonds shall be subject to redemption at the option of the City on terms acceptable to the Designated Representative, as set forth in the Bond Purchase Agreement, consistent with the parameters set forth in Section 4.

(b) *Mandatory Redemption.* Each Bond that is designated as a Term Bond in the Bond Purchase Agreement, consistent with the parameters set forth in Section 4 and except as set forth below, shall be called for redemption at a price equal to the stated principal amount to be redeemed, plus accrued interest, on the dates and in the amounts as set forth in the Bond Purchase Agreement. If a Term Bond is redeemed under the optional redemption provisions, defeased or purchased by the City and surrendered for cancellation, the principal amount of the Term Bond so redeemed, defeased or purchased (irrespective of its actual redemption or purchase price) shall be credited against one or more scheduled mandatory redemption installments for that Term Bond. The City shall determine the manner in which the credit is to be allocated and shall notify the Bond Registrar in writing of its allocation prior to the earliest mandatory redemption date for that Term Bond for which notice of redemption has not already been given.

(c) *Selection of Bonds for Redemption; Partial Redemption.* If fewer than all of the outstanding Bonds are to be redeemed at the option of the City, the City shall select the Series and maturities to be redeemed. If fewer than all of the outstanding Bonds of a maturity of a Series are to be redeemed, the Securities Depository shall select Bonds registered in the name of the Securities Depository to be redeemed in accordance with the Letter of Representations, and the Bond Registrar shall select all other Bonds to be redeemed randomly in such manner as the Bond Registrar shall determine. All or a portion of the principal amount of any Bond that is to be redeemed may be redeemed in any Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond Registrar, there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, maturity and interest rate in any Authorized Denomination in the aggregate principal amount to remain outstanding.

(d) *Notice of Redemption.* Notice of redemption of each Bond registered in the name of the Securities Depository shall be given in accordance with the Letter of Representations. Notice of redemption of each other Bond, unless waived by the Registered Owner, shall be given by the Bond Registrar not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Registered Owner at the address appearing on the Bond Register on the Record Date. The requirements of the preceding sentence shall be satisfied when notice has been mailed as so provided, whether or not it is actually received by an Owner. In addition, the redemption notice shall be mailed or sent electronically within the same period to the

MSRB (if required under the Undertaking), to each Rating Agency, and to such other persons and with such additional information as the Finance Director shall determine, but these additional mailings shall not be a condition precedent to the redemption of any Bond.

(e) *Rescission of Optional Redemption Notice.* In the case of an optional redemption, the notice of redemption may state that the City retains the right to rescind the redemption notice and the redemption by giving a notice of rescission to the affected Registered Owners at any time prior to the scheduled optional redemption date. Any notice of optional redemption that is so rescinded shall be of no effect, and each Bond for which a notice of optional redemption has been rescinded shall remain outstanding.

(f) *Effect of Redemption.* Interest on each Bond called for redemption shall cease to accrue on the date fixed for redemption, unless either the notice of optional redemption is rescinded as set forth above, or money sufficient to effect such redemption is not on deposit in the Bond Fund or in a trust account established to refund or defease the Bond.

(g) *Purchase of Bonds.* The City reserves the right to purchase any or all of the Bonds offered to the City at any time at any price acceptable to the City plus accrued interest to the date of purchase.

Section 10. Failure To Pay Bonds. If the principal of any Bond is not paid when the Bond is properly presented at its maturity or date fixed for redemption, the City shall be obligated to pay interest on that Bond at the same rate provided in the Bond from and after its maturity or date fixed for redemption until that Bond, both principal and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Bond Fund, or in a trust account established to refund or defease the Bond, and the Bond has been called for payment by giving notice of that call to the Registered Owner.

Section 11. Pledge of Taxes. The Bonds constitute a general indebtedness of the City and are payable from tax revenues of the City and such other money as is lawfully available and pledged by the City for the payment of principal of and interest on the Bonds. For as long as any of the Bonds are outstanding, the City irrevocably pledges that it shall, in the manner provided by law without limitation as to rate or amount, include in its annual property tax levy amounts sufficient, together with other money that is lawfully available, to pay principal of and interest on the Bonds as the same become due. The full faith, credit and resources of the City are pledged irrevocably for the prompt payment of the principal of and interest on the Bonds and such pledge shall be enforceable in mandamus against the City.

Section 12. Tax Covenants; Designation of Bonds as “Qualified Tax Exempt Obligations.”

(a) *Preservation of Tax Exemption for Interest on Bonds.* The City covenants that it will take all actions necessary to prevent interest on the Bonds from being included in gross income for federal income tax purposes, and it will neither take any action nor make or permit any use of proceeds of the Bonds or other funds of the City treated as proceeds of the Bonds that will cause interest on the Bonds to be included in gross income for federal income tax purposes. The City also covenants that it will, to the extent the arbitrage rebate requirements of Section 148 of the

Code are applicable to the Bonds, take all actions necessary to comply (or to be treated as having complied) with those requirements in connection with the Bonds.

(b) *Post-Issuance Compliance.* The Finance Director is authorized and directed to adopt and implement the City's written procedures to facilitate compliance by the City with the covenants in this ordinance and the applicable requirements of the Code that must be satisfied after the Issue Date to prevent interest on the Bonds from being included in gross income for federal tax purposes.

(c) *Designation of Bonds as "Qualified Tax-Exempt Obligations."* A Series of the Bonds may be designated as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code, if the following conditions are met:

- (1) the Series does not constitute "private activity bonds" within the meaning of Section 141 of the Code;
- (2) the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds and other obligations not required to be included in such calculation) that the City and any entity subordinate to the City (including any entity that the City controls, that derives its authority to issue tax-exempt obligations from the City, or that issues tax-exempt obligations on behalf of the City) will issue during the calendar year in which the Series is issued will not exceed \$10,000,000; and
- (3) the amount of tax-exempt obligations, including the Series, designated by the City as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code during the calendar year in which the Series is issued does not exceed \$10,000,000.

Section 13. Refunding or Defeasance of the Bonds. The City may issue refunding bonds pursuant to State law or use money available from any other lawful source to carry out a refunding or defeasance plan, which may include (a) paying when due the principal of and interest on any or all of the Bonds (the "defeased Bonds"); (b) redeeming the defeased Bonds prior to their maturity; and (c) paying the costs of the refunding or defeasance. If the City sets aside in a special trust fund or escrow account irrevocably pledged to that redemption or defeasance (the "trust account"), money and/or Government Obligations maturing at a time or times and bearing interest in amounts sufficient to redeem, refund or defease the defeased Bonds in accordance with their terms, then all right and interest of the Owners of the defeased Bonds in the covenants of this ordinance and in the funds and accounts obligated to the payment of the defeased Bonds shall cease and become void. Thereafter, the Owners of defeased Bonds shall have the right to receive payment of the principal of and interest on the defeased Bonds solely from the trust account and the defeased Bonds shall be deemed no longer outstanding. In that event, the City may apply money remaining in any fund or account (other than the trust account) established for the payment or redemption of the defeased Bonds to any lawful purpose.

Unless otherwise specified by the City in a refunding or defeasance plan, notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or

defeasance shall be conducted, in the manner prescribed in this ordinance for the redemption of Bonds.

Section 14. Sale and Delivery of the Bonds.

(a) *Manner of Sale of Bonds; Delivery of Bonds.* The Designated Representative is authorized to sell each Series of the Bonds by negotiated sale or private placement, based on the assessment of the Designated Representative of market conditions, in consultation with appropriate City officials and staff, Bond Counsel and other advisors. In determining the method of sale of a Series and accepting the Final Terms, the Designated Representative shall take into account those factors that, in the judgment of the Designated Representative, may be expected to result in the lowest true interest cost to the City.

(b) *Procedure for Negotiated Sale or Private Placement.* If the Designated Representative determines that a Series of the Bonds is to be sold by negotiated sale or private placement, the Designated Representative shall select one or more Purchasers with which to negotiate such sale. The Bond Purchase Agreement for each Series of the Bonds shall set forth the Final Terms. The Designated Representative is authorized to execute the Bond Purchase Agreement on behalf of the City, so long as the terms provided therein are consistent with the terms of this ordinance.

(c) *Preparation, Execution and Delivery of the Bonds.* The Bonds will be prepared at City expense and will be delivered to the Purchaser in accordance with the Bond Purchase Agreement, together with the approving legal opinion of Bond Counsel regarding the Bonds.

Section 15. Official Statement.

(a) *Preliminary Official Statement Deemed Final.* The Designated Representative shall review and, if acceptable to him or her, approve the preliminary Official Statement prepared in connection with each sale of a Series of the Bonds to the public or through a Purchaser as a placement agent. For the sole purpose of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, if applicable, the Designated Representative is authorized to deem that preliminary Official Statement final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to potential purchasers of the Bonds of a preliminary Official Statement that has been approved by the Designated Representative and been deemed final, if applicable, in accordance with this subsection.

(b) *Approval of Final Official Statement.* The City approves the preparation of a final Official Statement for each Series of the Bonds to be sold to the public in the form of the preliminary Official Statement that has been approved and deemed final in accordance with subsection (a), with such modifications and amendments as the Designated Representative deems necessary or desirable, and further authorizes the Designated Representative to execute and deliver such final Official Statement to the Purchaser if required under Rule 15c2-12. The City authorizes and approves the distribution by the Purchaser of the final Official Statement so executed and delivered to purchasers and potential purchasers of a Series of the Bonds.

Section 16. Undertaking to Provide Continuing Disclosure. If necessary to meet the requirements of paragraph (b)(5) of Rule 15c2-12, as applicable to a participating underwriter for

the Bonds, the City makes the following written undertaking (the “Undertaking”) for the benefit of holders of the Bonds:

(a) *Undertaking to Provide Annual Financial Information and Notice of Listed Events.* The City undertakes to provide or cause to be provided, either directly or through a designated agent, to the MSRB, in an electronic format as prescribed by the MSRB, accompanied by identifying information as prescribed by the MSRB:

(1) Annual financial information and operating data of the type included in the final official statement for the Bonds and described in paragraph (b) (“annual financial information”);
