Note 1 - Summary of Significant Accounting Policies

The City of Fircrest was incorporated in 1925 and operates under the laws of the state of Washington applicable to a Non-Charter Code City. The City of Fircrest is a general-purpose local government and provides public safety, municipal court, fire prevention, street improvement, parks and recreation, and general administration. In addition, the City owns and operates water, sewer and storm utilities.

The City of Fircrest reports financial activity in accordance with the *Cash Basis Budgeting, Accounting and Reporting System* (BARS) Manual prescribed by the State Auditor's Office under the authority of Washington State law, Chapter 43.09 RCW. This manual prescribes a financial reporting framework that differs from generally accepted accounting principles (GAAP) in the following manner:

- Financial transactions are recognized on a cash basis of accounting as described below.
- Component units are required to be disclosed but are not included in the financial statements.
- Government-wide statements, as defined in GAAP, are not presented.
- All funds are presented, rather than a focus on major funds.
- The *Schedule of Liabilities* is required to be presented with the financial statements as supplementary information.
- Supplementary information required by GAAP is not presented.
- Ending balances are not presented using the classifications defined in GAAP.

A. Fund Accounting

Financial transactions of the government are reported in individual funds. Each fund uses a separate set of self-balancing accounts that comprises its cash and investments, revenues and expenditures. The government's resources are allocated to and accounted for in individual funds depending on their intended purpose. Each fund is reported as a separate column in the financial statements, except for fiduciary funds, which are presented by fund types. The total column is presented as "memo only" because any interfund activities are not eliminated. The following fund types are used:

GOVERNMENTAL FUND TYPES:

General Fund

This fund is the primary operating fund of the government. It accounts for all financial resources except those required or elected to be accounted for in another fund.

Special Revenue Funds

These funds account for specific revenue sources that are restricted or committed to expenditures for specified purposes of the government.

Debt Service Funds

These funds account for the financial resources that are restricted, committed, or assigned to expenditures for principal, interest and related costs on general long-term debt.

Capital Projects Funds

These funds account for financial resources which are restricted, committed, or assigned for the acquisition or construction of capital facilities or other capital assets.

PROPRIETARY FUND TYPES:

Enterprise Funds

These funds account for operations that provide goods or services to the general public and are supported primarily through user charges.

Internal Service Funds

These funds account for operations that provide goods or services to other departments or funds of the government on a cost reimbursement basis.

FIDUCIARY FUND TYPES:

Fiduciary funds account for assets held by the government in a trustee capacity or as a custodian on behalf of others.

Custodial Funds

These funds are used to account assets that the government holds on behalf of others in a custodial capacity.

B. Basis of Accounting and Measurement Focus

Financial statements are prepared using the cash basis of accounting and measurement focus. Revenues are recognized when cash is received, and expenditures are recognized when paid.

In accordance with state law the City of Fircrest also recognizes expenditures paid during twenty days after the close of the fiscal year for claims incurred during the previous period.

C. Cash and Investments

See Note 4, *Deposits and Investments*.

D. Capital Assets

Capital assets are assets with an initial individual cost of more than \$1,000 and an estimated useful life in excess of one year. Capital assets and inventory are recorded as capital expenditures when purchased.

E. Compensated Absences

Vacation leave may be accumulated up to 240 hours and is payable upon separation or retirement. Sick leave may be accumulated up to 1,940 hours. Upon separation or retirement employees do not receive payment for unused sick leave. Payments are recognized as expenditures when paid.

F. Long-Term Debt

See Note 3, *Debt Service Requirements*.

G. Reserved Portion of Ending Cash and Investments

Beginning and Ending Cash and Investments is reported as reserved when it is subject to restrictions on use imposed by external parties or due to internal commitments established by Ordinance or Resolution of the City of Fircrest Council. When expenditures that meet restrictions are incurred, the City of Fircrest intends to use reserved resources first before using unreserved amounts.

Reservations of Ending Cash and Investments consist of:

The Cumulative Reserve Fund, created by Ordinance No. 956, consists of monies from the General Fund \$3,250,000, Street Fund \$150,000 as well as from the proprietary Water Fund \$11,513 and Sewer Fund \$369,250. These monies have been reserved for capital outlay and operation and maintenance for municipal purposes. Monies from said fund may be expended upon appropriate council action.

The Park Bond Capital Fund created by Ordinance No. 1647 consists of monies from the sale of the general obligation bond. The fund accounts for the revenue and expenditures associated with Park Bond Capital revenues and expenditures. The balance as of 12/31/2019 is \$7,331,463.

Real Estate Excise Tax Fund \$1,587,705. Under State law, Fircrest can spend its real estate excise tax receipts only on capital projects specified in the capital facilities plan element of its comprehensive plan. Such capital projects are defined in FMC 3.36.040(d) and FMC 3.40.020.

Equipment Rental & Replacement Fund \$1,311,468. Created by Ordinance #935. Designated funds are to be used for operation and maintenance and for the purchase of capital equipment within the Equipment Rental & Replacement Fund as designated by Council with a purchase price exceeding \$1,000 in value.

Note 2 – Budget Compliance

A. Budgets

The City of Fircrest adopts annual appropriated budgets for 9 funds (for reporting purposes the Street Fund has been included in the General Fund and the Storm, Water and Sewer Capital Funds have been included in their respective Funds). These budgets are appropriated at the fund level. The budget constitutes the legal authority for expenditures at that level. Annual appropriations for these funds lapse at the fiscal year end.

Annual appropriated budgets are adopted on the same basis of accounting as used for financial reporting.

The appropriated and actual expenditures for the legally adopted budgets were as follow:

Fund/Department	Final Appropriated Amounts	Actual Expenditures	Variance
General Fund	\$8,499,854	\$7,903,337	\$596,517
Park Bond Capital Fund	\$2,822,000	\$2,668,348	\$153,652
Storm Fund	\$ 613,820	\$ 555,463	\$ 58,357

Note 8 – Risk Management

The City of Fircrest is a member of the Cities Insurance Association of Washington. Chapter 48.62 RCW

authorizes the governing body of any one or more governmental entities to form together into or join a program or organization for the joint purchasing of insurance, and/or joint self-insuring, and/or joint hiring or contracting for risk management services to the same extent that they may individually purchase insurance, self-insure, or hire or contract for risk management services. An agreement to form a pooling arrangement was made pursuant to the provisions of Chapter 39.34 RCW, the Interlocal Cooperation Act. The program was formed on September 1, 1988 when 34 cities in the State of Washington joined together by signing an Interlocal Governmental Agreement to pool their self-insured losses and jointly purchase insurance and administrative services. As of December 1, 2019, the CIAW had 191 full members in the program.

The program provides the following forms of joint self-insurance and reinsurance coverage for its members: Property, including automobile comprehensive and collision, equipment breakdown and crime protection, and liability, including general, automobile and wrongful acts, are included to fit members' various needs.

The program acquires liability insurance through their Administrator, Clear Risk Solutions, which is subject to a per-occurrence self-insured retention of \$100,000, with the exception of Wrongful Acts and Law Enforcement Liability which have a self-insured retention of \$25,000. The standard member deductible is \$1,000 for each claim (deductible may vary per member), while the program is responsible for the \$100,000 self-insured retention. The insurance carrier covers insured losses over \$101,000 to the limits of each policy. Since the program is a cooperative program, there is a joint liability among the participating members towards the sharing of the \$100,000 of the self-insured retention. The program also purchases a Stop Loss Policy as another layer of protection to its membership, with an attachment point of \$1,910,871.

Property insurance is subject to a per-occurrence self-insured retention of \$25,000. Members are responsible for a \$1,000 deductible for each claim. The program bears the \$25,000 self-insured retention, in addition to the deductible.

Equipment Breakdown insurance is subject to a per-occurrence deductible of \$2,500, which may vary per member, with the exception of Pumps and Motors, which is \$10,000. Members are responsible for the deductible amount of each claim. There is no program self-insured retention on this coverage, with the exception of Pumps and Motors which is \$15,000 and is covered by the CIAW.

Members contract to remain in the program for a minimum of one year, and must give notice before December 1, to terminate participation the following December 1. The Interlocal Agreement is renewed automatically each year. In the event of termination, a member is still responsible for contributions to the program for any unresolved, unreported, and in-process claims for the period they were a signatory to the Interlocal Agreement.

A board of ten members is selected by the membership from three geographic areas of the state on a staggered term basis and is responsible for conducting the business affairs of the program.

The program has no employees. Claims are filed by members/brokers with Clear Risk Solutions, who has been contracted to perform program administration, claims adjustment and loss prevention for the program. Fees paid to the third-party administrator under this arrangement for the year ending December 1, 2019 were \$2,687,105.

Copies of the pool's annual report may be obtained by writing to 451 Diamond Drive, Ephrata, WA 98823.

Note 9 – Health and Welfare

The City of Fircrest is a member of the Association of Washington Cities Employee Benefit Trust Health

Care Program (AWC Trust HCP). Chapter 48.62 RCW provides that two or more local government entities may, by Interlocal agreement under Chapter 39.34 RCW, form together or join a pool or organization for the joint purchasing of insurance, and/or joint self-insurance, to the same extent that they may individually purchase insurance, or self-insure.

An agreement to form a pooling arrangement was made pursuant to the provisions of Chapter 39.34 RCW, the Interlocal Cooperation Act. The AWC Trust HCP was formed on January 1, 2014 when participating cities, towns, and non-city entities of the AWC Employee Benefit Trust in the State of Washington joined together by signing an Interlocal Governmental Agreement to jointly self-insure certain health benefit plans and programs for participating employees, their covered dependents and other beneficiaries through a designated account within the Trust.

As of December 31, 2019, 261 cities/towns/non-city entities participate in the AWC Trust HCP.

The AWC Trust HCP allows members to establish a program of joint insurance and provides health and welfare services to all participating members. The AWC Trust HCP pools claims without regard to individual member experience. The pool is actuarially rated each year with the assumption of projected claims run-out for all current members. The AWC Trust HCP includes medical, dental and vision insurance through the following carriers: Kaiser Foundation Health Plan of Washington, Kaiser Foundation Health Plan of Washington Options, Inc., Regence BlueShield, Asuris Northwest Health, Delta Dental of Washington, and Vision Service Plan. Eligible members are cities and towns within the state of Washington. Non-City Entities (public agency, public corporation, intergovernmental agency, or political subdivision within the state of Washington) are eligible to apply for coverage into the AWC Trust HCP, submitting application to the Board of Trustees for review as required in the Trust Agreement.

Participating employers pay monthly premiums to the AWC Trust HCP. The AWC Trust HCP is responsible for payment of all covered claims. In 2019, the AWC Trust HCP purchased stop loss insurance for Regence/Asuris plans at an Individual Stop Loss (ISL) of \$1.5 million through Commencement Bay Risk Management, and Kaiser ISL at \$1 million with Companion Life through ASG Risk Management. The aggregate policy is for 200% of expected medical claims.

Participating employers contract to remain in the AWC Trust HCP for a minimum of three years. Participating employers with over 250 employees must provide written notice of termination of all coverage a minimum of 12 months in advance of the termination date, and participating employers with under 250 employees must provide written notice of termination of all coverage a minimum of 6 months in advance of termination date. When all coverage is being terminated, termination will only occur on December 31. Participating employers terminating a group or line of coverage must notify the AWC Trust HCP a minimum of 60 days prior to termination. A participating employer's termination will not obligate that member to past debts, or further contributions to the AWC Trust HCP. Similarly, the terminating member forfeits all rights and interest to the AWC Trust HCP Account.

The operations of the Health Care Program are managed by the Board of Trustees or its delegates. The Board of Trustees is comprised of four regionally elected officials from Trust member cities or towns, the Employee Benefit Advisory Committee Chair and Vice Chair, and two appointed individuals from the AWC Board of Directors, who are from Trust member cities or towns. The Trustees or its appointed delegates review and analyze Health Care Program related matters and make operational decisions regarding premium contributions, reserves, plan options and benefits in compliance with Chapter 48.62 RCW. The Board of Trustees has decision authority consistent with the Trust Agreement, Health Care

Program policies, Chapter 48.62 RCW and Chapter 200-110-WAC.

The accounting records of the AWC Trust HCP are maintained in accordance with methods prescribed by the State Auditor’s office under the authority of Chapter 43.09 RCW. The AWC Trust HCP also follows applicable accounting standards established by the Governmental Accounting Standards Board (“GASB”). In 2018, the retiree medical plan subsidy was eliminated, and is noted as such in the report for the fiscal year ending December 31, 2018. Year-end financial reporting is done on an accrual basis and submitted to the Office of the State Auditor as required by Chapter 200-110 WAC. The audit report for the AWC Trust HCP is available from the Washington State Auditor’s office.
