SOUTH SOUND HOUSING AFFORDABILITY PARTNERS

Shaping Pierce County's Future by Creating Access to Affordable and Attainable Housing

We Have an Intergovernmental Agreement!

It's time for each local government to determine if they will join SSHA³P by adopting the agreement and making a financial commitment

Why Participate? Three Key Points

Provide staffing support unique to the needs of each participating government seeking assistance.

Provide support for policy and program development across multiple member governments.

Design and support demonstration projects that yield additional or preserve existing housing.

What SSHA³P Will *Not* Do

Usurp	Usurp any governments land use authority
Duplicate	Duplicate the work already being done by other government or quasi-governmental entities such as PCRC or PSRC
Another Layer	Become another layer of bureaucracy adding new regulations on affordable/ attainable housing development
Force	Force any city or town to take an action or support an initiative/project that it does not endorse

Each
Government
Is Welcome
To Join

Participation
in SSHA^{3P} is
totally
voluntary

How Might Fircrest Benefit by Joining SSHA³P?

- Ø Fircrest will have a seat on the Executive Board and be granted an equal vote with all other participating governments determining what priority items will be in the SSHA³P work plan.
- Ø Fircrest could get technical assistance and support to evaluate its current policies or regulations related to housing and/or to revise and adopt new ones.
- Ø Fircrest through its participation will have a voice at state and regional decision tables regarding its priority affordable housing needs and actions.
- Ø Fircrest could hear promising ideas from its peers about strategies they are deploying to preserve existing housing stock and homeowners (also strategies that have not worked well).
- Ø Fircrest could share in resources that might be marshalled (i.e. pooling of capital funds) for preserving existing or producing additional affordable housing.

**Intergovernmental Agreement for SSHA³P
South Sound Housing Affordability Partners**

(Effective Date: **Date of Execution**)

This Intergovernmental Agreement ("Agreement") is entered into by and between the Cities of **??**, Pierce County (each municipal corporations and political subdivisions of the State of Washington), and the Puyallup Tribe of Indians, a **federally-recognized Indian tribe** (the Tribe) Individually each member of SSHA³P is a "Party" and collectively, the "Parties". This Agreement relates to the creation and operation of a joint undertaking among the Parties hereto to be known as the South Sound Housing Affordability Partners ("SSHA³P"). This Agreement is made pursuant to the Interlocal Cooperation Act, chapter 39.34 RCW, and has been authorized by the legislative body of each government.

WHEREAS, the recent increases in the cost to purchase or rent housing in Pierce County has resulted in more than one-third of all households in the county considered cost-burdened, paying more than 30% of their income for housing costs; and

WHEREAS, in the past decade increases in Pierce County median home sales prices (108%) and rental rates (78%) have dramatically outpaced the increases in median household incomes (10%); and

WHEREAS, the recent global pandemic has placed new pressures on the housing market, with the economic downturn resulting in many households unable to afford rent or mortgage payments, anticipated increases in the number of evictions and foreclosures (including among those small rental property owners who have not been receiving rental payments), and at the same time increased demand for purchasing homes due to historically low interest rates and the large increase in the number of those now working remotely; and

WHEREAS, the Parties have a common goal to ensure the availability of housing that meets the needs of residents and workers at all income levels in Pierce County, including but not limited to families, veterans, and seniors; and

WHEREAS, the Parties share a common goal to eliminate housing inequities for all races, ethnicities and other vulnerable or marginalized communities and geographic locations in Pierce County; and

WHEREAS, the Parties wish to provide a sound base of housing policies and programs in Pierce County and to complement the efforts of local governments and existing public and private organizations to address housing needs in Pierce County; and

WHEREAS, the Parties wish to act cooperatively to formulate policies that create access to affordable/attainable housing policies and strategies that address housing stability by helping homeowners and renters stay in their homes, ensure an ample housing supply that remains affordable for all income levels, provide incentives for affordable/attainable housing for lower and middle income households, foster efforts to preserve and provide access to affordable/attainable housing by combining public funding with private-sector resources, and support implementation of the goals of the Washington State (the "State") Growth Management Act, related countywide planning policies, and other local policies and programs relating to providing access to affordable and attainable housing, and to do so efficiently and expeditiously; and

WHEREAS, the Parties have determined that the most efficient and effective way for the Parties to address access to affordable and attainable housing needs in Pierce County is through cooperative action and pooling their resources to create a larger scale of activities than any one Party could accomplish on their own, achieve economies of scale, and leverage other public and private resources; and

WHEREAS, the intent of this cooperative undertaking is not to duplicate efforts of non-profit corporations and other entities already providing affordable/attainable-housing-related services; and

WHEREAS, a cooperative work plan with a primary focus on the production and preservation of affordable/attainable housing, is needed because the lack of access to affordable/attainable housing is one of the key contributors to homelessness;

WHEREAS, the Parties are each empowered to promote the public health, safety, and welfare, pursuant to RCW 36.32.120(7), RCW 35.22.195, and RCW 35A.11.020; and

WHEREAS, the parties are authorized by Revised Code of Washington 39.34 to enter into agreements for the joint exercise of governmental powers.

Under this provision, advance written notice must be provided from the Legislative Body of any Party to this agreement to the Executive Board on or before June 30, of its intention to withdraw from participation in the Agreement, effective as of 11:59 p.m. on December 31st of that current year.

Any Party withdrawing from this Agreement will remain legally and financially responsible for any obligation incurred by the Party pursuant to the terms of this Agreement, including but not limited to any project financing documents executed by the Administering Agency on behalf of that Party, during the time the withdrawing Party was a member of SSHA³P. A notice of withdrawal may be revoked by the Party that submitted the notice only by approval of a majority of the Executive Board to accept the revocation. Any

Party that provides written notice of its intent to withdraw may continue to vote on all matters before the Executive Board prior to the effective date of its withdrawal, except the budget and work plan for the following year.

13. BUDGET. The fiscal year for SSHA³P will be January 1 to December 31 of any year. The first year budget and anticipated second year budget for SSHA³P are attached to this Agreement as Exhibit B and incorporated herein by this reference. Approval of this Agreement by the legislative body of each Party includes approval of the SSHA³P budgets through the first full term of the agreement. For subsequent years, on or before July 1st of each year, a recommended operating budget for SSHA³P for the following budget year will be prepared, reviewed and recommended by the Executive Board and transmitted to each Party. The recommended operating budget will contain an itemization of all categories of budgeted expenses and will contain an itemization of the amount of each Party's contribution, including in-kind services, toward that budget. Contributions to the SSHA³P annual budget may also come from other public or private entities. The Executive Board will approve acceptance of those contributions.

a. No recommended budget will become effective until approved by the legislative body of each Party and adopted by the Executive Board, except for SSHA³P's first full term (2021, 2022 and 2023). Once the legislative body of each Party has approved its contribution to SSHA³P, either separately or through its budget process, and the SSHA³P budget has been adopted by the Executive Board, each Party will be obligated to make whatever contribution(s) is budgeted for that Party. If a Party does not approve the budget in a timely manner, the Executive Board may adopt the annual budget and work plan with a two-thirds majority vote.

b. Each Party's contribution(s) will be transmitted to SSHA³P on an annual basis no later than the end of the first quarter of each calendar year, unless otherwise provided in the budget document. The Administering Agency will submit invoices to each Party for their annual dues payments. Each Party will specify the amount of its contribution to be deposited by the Administering Agency into the SSHA³P Operating Account, as well as the amount, *if any*, to be deposited into the Party's Individual Account within the SSHA³P Housing Capital Funds Account established by Section 14.

c. If any Party is delinquent by more than three months in the payment of its approved operating budget contribution to

the SSHA³P Operating Account, that Party will not be entitled to vote on matters before the Executive Board until the delinquency has been paid. A Party's decision not to contribute funds to its Individual Account, or its delinquency in funding the same will not affect that Party's voting rights on the Executive Board.

14. HOUSING CAPITAL FUNDS ACCOUNT ESTABLISHED; PROCEDURES FOR ADMINISTERING HOUSING CAPITAL FUNDS ACCOUNT CONTRIBUTIONS. If authorized by resolution of the Executive Board, the Administering Agency may establish and maintain a subaccount or subfund within the SSHA³P Fund for the purpose of administering the contributions of Parties, or other public or private entities, to affordable/attainable housing projects and programs, to be known as the SSHA³P Housing Capital Funds Account. The amounts in the Housing Capital Funds Account will be held and disbursed by the Administering Agency as described in this Agreement.

a. Within the Housing Capital Funds Account, a sub-account or subfund will be established for each Party to this Agreement that chooses to contribute to the Housing Capital Funds Account. Such sub-accounts are collectively referred to as the "Individual Accounts." The Executive Board will work with the Administering Agency to create policies and procedures for the release of those funds.

b. A subaccount may be established within each Individual Account for each project or program funded in whole or part by a Party from its Individual Account. Such sub-accounts are referred to as "Project Accounts." The intent is to create a structure that enables each Party to easily track the use of their contributed funds.

c. The Administering Agency will maintain records sufficient to separately track the deposits, withdrawals and interest earnings, within each Individual Account and each Project Account, and will provide quarterly reports to all Parties as to the status of funds in each Individual Account and Project Account. The Administering Agency's responsibilities under this Section may be delegated to the SSHA³P Executive Manager to the extent consistent with applicable law and as the Administering Agency and Executive Board may agree.

d. Funds transmitted to SSHA³P for deposit in the Housing Capital Funds Account will be held by the Administering Agency on behalf of SSHA³P until directed for application by the contributing Party (as described in 14.a. above). Uncommitted funds in an Individual Account will be remitted to the contributing

Party within 45 days of receipt of written request from the Party signed by its chief executive officer, or upon the Party's withdrawal from SSHAP in accordance with the terms of Section 12, or on the dissolution of SSHAP per Section 11.

e. Funds held by the Administering Agency on behalf of SSHAP will be subject to laws applicable to public funds, including but not limited to limitations on investments for public funds as provided in State law and the State constitutional limitations on the gifting of public funds. Investment earnings will be credited to each Individual Account and Subaccount on a pro rata basis.

f. The Executive Board will develop standard forms of approvals and agreements to be used in the application of funds contributed to the Housing Capital Funds Account (collectively referred to as "project financing documents"), consistent with the following goals and procedures:

- i. The SSHAP Executive Board will authorize the application of specified amounts of Individual Account monies to projects or programs consistent with the purpose of the SSHAP Capital Fund, and will authorize and recommend the SSHAP Executive Manager, and the Administering Agency to take such actions as necessary to accomplish this. At least two weeks prior to the Executive Board action they will notify the individual parties whose funds will be used for such projects or programs of the various terms to accompany their authorizations, and will at a minimum include terms related to:
 1. amount of funds allocated;
 2. project description, including minimum affordability requirements, if any;
 3. nature of the funding commitment (loan, grant, or other);
 4. in the event the funding commitment is provided as a loan, the general repayment terms including but not limited to the term of the loan and applicable, interest rate(s); and
 5. a general description of the security interests, if any, to be recorded in favor of the Party.
- ii. For each individual housing project or program to be funded through the Housing Capital Funds Account, the developer, owner or administrator of such project or program (generally referred to as

the "developer"), will enter into the necessary set of agreements (project financing documents) with the Administering Agency. The project financing documents will specify that the Administering Agency is acting as administering agency on behalf of each Party that is providing Housing Capital Funds Account funding to the project or program pursuant to this Agreement and RCW 39.34.030(4), and will identify each participating funding Party. The project financing documents will be consistent with general forms of agreement approved by the Executive Board and the terms and conditions approved by the legislative bodies of the funding Parties. To the extent permitted by law, the project financing agreements will incorporate all terms and conditions relative to the use and (if applicable) repayment of such funds, and provide for transfer of the Housing Capital Funds Account monies from the funding Parties to the developer.

- iii. Funding contributions to, and repayments (if any) from, specific projects and programs will be recorded by the Administering Agency, including recording of monies deposited and withdrawn from each Party's Individual Account and Project Accounts. Repayments (if any) under any project financing agreement will be applied *pro rata* to the funding Parties' Individual Accounts based on the ratio of funding contributed to the project by each Party, unless the funding Parties otherwise agree.
- iv. Unless the Parties funding a project or program through the Housing Capital Funds Account otherwise agree, a default, termination or other action against a developer or other third party may be declared only after securing approval in writing of the chief executive officers of funding Parties which together have contributed not less than 51% of the total SSHA^{3P} member funding to the project. The Administering Agency will provide reasonable notice and information regarding the status of projects as necessary to each funding Party's chief executive officer to allow them to make a timely decision in this regard. Funding Parties not consenting to such default, termination or other action will be bound by the decision of the majority. All funding Parties will be obligated on

a pro rata basis (based on their contributions to the project) to pay to the Administering Agency its reasonable costs and expenses incurred as a result of declaring a default, terminating an agreement or taking other action against a developer or other third party. Any funds recovered through such enforcement proceedings will be allocated to the funding Parties Individual Accounts pro rata based on their respective funding contributions to a project.

- v. The Executive Board may from time to time authorize the Administering Agency to administer housing project agreements entered into before the effective date of this Agreement, upon terms consistent with this Agreement and subject to the consent of the Administering Agency and the Parties to such agreements.

15. DUES, ASSESSMENTS AND BUDGET AMENDMENTS. Contributions to the SSHA³P Operating fund will be based on groupings of like-sized cities (based on population), or whatever contribution methodology is approved by a two-thirds majority of the Executive Board. Funding for the activities of SSHA³P will be provided solely through the budgetary process. Unless otherwise specified in this Agreement, no dues, charges or assessments will be imposed or required of the Parties except upon unanimous vote of the membership of the Executive Board and ratification by the legislative body of each Party subject to the dues, charges or assessments. An approved budget (the overall revenues and expenditures) will not be modified until approved by the legislative body of each Party and finally adopted by the Executive Board. If a Party agrees to totally fund an additional task to the work program, not currently approved in the budget, the task may be added to the work plan and the budget amended to reflect the funding of the total cost of such task by the requesting Party, upon approval by a majority of the membership of the Executive Board without approval by the individual Parties. Notwithstanding the foregoing, contributions by a Party to its Individual Account within the Housing Capital Funds Account will be solely within the discretion of that Party and are not considered "dues or assessments."

16. PUBLIC RECORDS REQUESTS. Each party to this agreement shall be responsible for retaining and producing the records it creates, owns or uses, in accordance with applicable public records access and retention laws and regulations. Nothing in this Section

is intended to require a Party to collect or produce records that are not prepared, owned, used, or retained by that agency as defined by the Public Records Act (RCW 42.56), other than as provided for herein.

The Administering Agency shall be responsible for maintaining and storing, in compliance with the state Public Records Act (Chapter 42.56 RCW), those records of the Executive Board and Advisory Committee that are created by the Administering Agency in connection with this Agreement (SSHA^{3P} Records). SSHA^{3P} records may include, but are not limited to, Executive Board and Advisory Committee meeting agendas, meeting summaries, reports, plans, budgets, and other related documents. For purposes of the Public Records Act, the SSHA^{3P} Executive Manager shall serve as the Public Records Officer with respect to requests for SSHA^{3P} records and the Administering Agency shall be responsible for ensuring compliance with RCW 42.56.152 (Training-Public Records Officers). Upon receipt of a request for SSHA^{3P} records, the SSHA^{3P} Executive Manager, serving as the SSHA^{3P} Public Records Officer, shall timely share the request with the Parties. In the event that the SSHA^{3P} Executive Manager shares a request for SSHA^{3P} records with the Parties, each party notified by the SSHA^{3P} Executive Manager shall cooperate with the SSHA^{3P} Executive Manager as requested to fulfill the request. Parties who receive requests for SSHA^{3P} records or records related to SSHA^{3P} are also encouraged, but not required, to share those with the SSHA^{3P} Executive Manager.

Each party shall indemnify and hold the other party to this Agreement harmless for any and all claims, demands, damages, lawsuits, liabilities, losses, liens, expenses including reasonable attorney's fees and costs arising from a public records require (collectively "Claims"), to the extent attributed to the indemnitor party's Fault. The term "Fault" as used herein shall have the same meaning as set forth in RCW 4.22.015. This obligation to indemnify and hold the other party harmless shall survive termination of this Agreement.

17. INDEMNIFICATION AND HOLD HARMLESS.

a. Each Party will indemnify, defend and hold other Parties (including without limitation the Party serving as, and acting in its capacity as, SSHA^{3P}'s Administering Agency), their officers, officials, agents and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney fees, arising out of that Party's wrongful acts or omissions in connection with the performance of its obligations under this Agreement, except to the extent the injuries or damages are caused

by another Party. If there is any recovery under this Section, the Party responsible for any wrongful acts or omissions will pay any judgment or lien arising from the acts or omissions, including all costs and other Parties' reasonable attorney's fees. If more than one Party is held to be at fault, the obligation to indemnify and to pay costs and attorney's fees, will be only to the extent of the percentage of fault allocated to each respective Party by a final judgment of the court.

b. If a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of a Party (including without limitation the Party serving as, and acting in its capacity as, SSHAP's Administering Agency), its officers, officials, employees, and volunteers, the Party's liability hereunder will be only to the extent of the Party's negligence. It is further specifically and expressly understood that the indemnification provided herein constitutes the Party's waiver of immunity under Industrial Insurance Title 51 RCW, solely for the purpose of this indemnification. This waiver has been mutually negotiated by the Parties. The provisions of this Section will survive the expiration or termination of this Agreement.

c. Each Party (including without limitation the Party serving as, and acting in its capacity as, SSHAP's Administering Agency) will give the other Parties proper notice of any claim or suit coming within the purview of these indemnities.

18. INSURANCE. The Executive Board, SSHAP Executive Manager and the Administering Agency will take such steps as are reasonably practicable to minimize the liability of the Parties associated with their participation in this Agreement, including but not limited to the utilization of sound business practice. The Executive Board will determine which, if any, insurance policies may be reasonably practicably acquired to cover the operations of SSHAP and the activities of the Parties pursuant to this Agreement (which may include general liability, errors and omissions, fiduciary, crime and fidelity insurance), and will direct the acquisition of same.

19. AMENDMENTS. Any amendments to this Agreement must be in writing. This Agreement may be amended upon approval of the legislative bodies of all Parties to this Agreement, evidenced by the authorized signatures of those Parties as of the effective date of the amendment. This Section will not be construed to

require amendment of this Agreement for the addition of a new Party contemplated under Section 20 or for any related revision to Executive Board membership authorized in Section 5(a) or Advisory Board membership in Section 8(b). The Executive Board will review this Agreement, no less than every five years, to determine if the purposes of SSHA^{3P} are being achieved and if any amendments or modifications to the Agreement are needed.

20. ADDITIONAL PARTIES. Municipalities, local governments, tribes, and public agencies within the SSHA^{3P} Area of Activity may, on execution of the Agreement and approval of the budget and work plan by its legislative body, become a Party to this Agreement on affirmative vote of at least fifty percent of the Executive Board. The Executive Board will determine by a vote of at least fifty percent of its membership what, if any, funding obligations the additional Party will commit to as a condition of becoming a Party to this Agreement.

21. SEVERABILITY. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of this Agreement, will not affect the validity of the remaining provisions of the Agreement.

22. CONFLICT RESOLUTION. Whenever any dispute arises between the Parties or between a Party or Parties, the Executive Board, or the Administering Agency (referred to collectively in this Section as the "Parties") under this Agreement which is not resolved by routine meetings or communications, the parties agree to seek resolution of such dispute in good faith by meeting, as soon as feasible. The meeting will include the Chair of the Executive Board, the SSHA^{3P} Executive Manager, and the representative(s) of the Parties involved in the dispute. If the parties do not come to an agreement on the dispute, any party may pursue mediation through a process to be mutually agreed to in good faith between the parties within 30 days, which may include binding or nonbinding decisions or recommendations. The mediator(s) will be individuals skilled in the legal and business aspects of the subject matter of this Agreement. The parties to the dispute will share equally the costs of mediation and assume their own costs.

23. SURVIVABILITY. Notwithstanding any provision in this Agreement to the contrary, the provisions of Section 10 (Agreement Duration), Section 11 (Termination of Agreement), Section 12 (Withdrawal), Section 16 (Public Records Requests), and Section 17 (Indemnification and Hold Harmless) will remain operative and in full force and effect, regardless of the withdrawal or termination of any Party or the termination of this Agreement.

24. WAIVER. No term or provision of this Agreement will be deemed waived and no breach excused unless that waiver or consent is in writing and signed by the Party claimed to have waived or consented.

25. SUBSEQUENT BREACH. Waiver of any default will not be deemed a waiver of any subsequent default. Waiver of breach of any provision of this Agreement will not be deemed to be a waiver of any other or subsequent breach and will not be construed to be a modification of the terms of the Agreement unless stated to be such through written approval of all Parties.

26. NOTICE. Any notice to the Executive Board will be in writing and will be addressed to the Chair of the Executive Board and to the SSHAP Executive Manager. In the absence of a SSHAP Executive Manager, notice will be given to the chief executive officer of the Administering Agency. Any notice to an Officer or Party will be sent, to the address specified by the chief executive officer of the Party.

27. ASSIGNMENT. No Party may sell, transfer or assign any of its rights or benefits under this Agreement without Executive Board approval.

28. APPLICABLE LAW AND VENUE. This Agreement and any rights, remedies, or obligations provided for in this Agreement will be governed, construed, and enforced in accordance with the substantive and procedural laws of the State. The Parties agree that the venue for any legal action under this Agreement is in the County in which a project is located, provided that the venue for any legal action against Pierce County may be filed in accordance with RCW 36.01.050.

29. RETAINED RESPONSIBILITY AND AUTHORITY. Parties retain the responsibility and authority for managing and maintaining their own internal systems and programs related to affordable/attainable housing activities.

30. INDEPENDENT CONTRACTORS. Each Party to this Agreement is an independent contractor with respect to the subject matter of this Agreement. No joint venture or partnership is formed as a result of this Agreement.

Nothing in this Agreement will make any employee of one Party an employee of another party for any purpose, including, but not limited to, for withholding of taxes, payment of benefits, worker's

compensation pursuant to Title 51 RCW, or any other rights or privileges accorded by virtue of their employment. No Party assumes any responsibility for the payment of any compensation, fees, wages, benefits or taxes to or on behalf of any other Party's employees. No employees or agents of one Party will be deemed, or represent themselves to be, employees of another Party.

31. NO THIRD PARTY BENEFICIARIES. This Agreement is for the benefit of the Parties only, and no third party will have any rights under this agreement.

32. NONDISCRIMINATION. The Parties will comply with the nondiscrimination requirements of applicable federal, state and local statutes and regulations.

33. COUNTERPARTS. This Agreement may be signed in counterparts and, if so signed, will be deemed one integrated Agreement. Parties will submit copies of signed Agreements to the Administering Agency, or to Pierce County before an Administering Agency is selected.

34. FILING AND EFFECTIVE DATE; PRIOR AGREEMENTS. This Agreement will become effective (Date of Execution), subject to its approval by the legislative bodies of all jurisdictions who are members of SSHA³P as of (Date of Execution), and, pursuant to RCW 39.34.040, upon recording this Agreement or posting this Agreement on a Party's web site or other electronically retrievable public source. Although this Agreement may be approved and signed by a Party after the Agreement's effective date, all acts consistent with the authority of this Agreement that occur on or after , (Date of Execution), are hereby ratified and affirmed, and the terms of this Agreement will be deemed to have applied.

AGENDA ITEM: Holiday Tree Discussion

FROM: Scott Pingel, City Manager

BACKGROUND: The tree at Alice Peers Park that has been used for our Holiday Lighting event is generally healthy, however, it continues to decay from the top down and may not support its function as the holiday tree much longer. The tree has been topped previously due to decay. City staff had it assessed by an arborist earlier this year, and the top 2 feet of the tree are decayed and in need of trimming and clearing.

In looking towards needing to replace the tree at least as the Holiday Tree, and with a new Community Center and Pool being built, City staff have discussed various options for replacing the current Holiday Lighting tree, both from the standpoint of where we hold the Holiday Lighting event, and how we replace the tree itself.

The first question for consideration is with the new facilities at Fircrest Park, do we take the opportunity to change the location of the Holiday Lighting event, or do we keep the event at Alice Peers Park? Regardless of how we replace the tree, we need to answer this question.

The second question is how do we replace the tree for the Holiday Lighting event moving forward, and when? Below are the basic options City staff believe to be most viable. Any option other than staying the current course will require power hookups to be extended to the new location or new tree.

1. Purchase an artificial tree that can be “grown” by 3 feet each year to get to 29 feet. This is what University Place does with its holiday tree. Estimated costs depending on the initial size of the tree are:
 - 20 feet: \$12,700
 - 23 feet: \$17,500
 - 26 feet: \$22,800

The tree can then be grown up to 29 feet for approximately \$5,000 for each 3-foot increment. For an artificial tree, both sites would require the installation of new concrete pads and power hookups. This is option is likely most viable if we move the event to Fircrest Park where the concrete pad needed could be either a part of the plaza already being built, or a minor extension of concrete pathways already planned. It would be easy to store at the Public Works Facility or the Fircrest Park Garage.

Pros: Staff time for preparation and set up would be significantly reduced with a pre-lit artificial tree. The need for staff to conduct any kind of lift or high wire work would be removed. Artificial trees do not die or need to be topped or pruned. Once the artificial tree is fully “grown,” the annual costs are much lower than working with a live tree.

Cons: Artificial trees may not be environmentally friendly. It would require additional concrete to be poured at either site. It would be a break from a long tradition in Fircrest.

2. Continue with the existing tree at Alice Peers Park until it is deemed no longer safe to do so, which may just be for a year or 2 before the tree may not be healthy enough to bear the lights and wires any longer. Costs and challenges with the current tree are:
 - Yearly lighting install and removal with a lift rental is approximately \$4,000.
 - Installation and removal of lights become more challenging each year as the tree ages.
 - We will continue to need to hire a contractor to climb the tree to clean up dead limbs and the decayed top.

Pros: Continuing with our current tree keeps alive a long tradition that the community seems to enjoy. It can be seen by thousands of passers-by on Regents Blvd. It has the smallest environmental impact.

Cons: The tree continues to decay from the top down, and it becomes more difficult to work with the more it decays. Staff safety in continuing to work on the tree is questionable.

3. Purchase and plant a new live tree to be transplanted (20ft tall Fir type tree) to either site. Depending on the size, we are looking at a purchase, transport, and install cost of anywhere from \$2,500 to \$10,000. Larger trees are currently hard to come by. This direction may allow us to combine efforts with the landscaping for the new Community Center.

Pros: The current tree will need to be replaced soon anyway, replanting a live tree would keep with our tradition of using a live tree. It is more environmentally friendly. At either site, the tree can grow naturally for years to come.

Cons: A new tree cannot be decorated for a couple of years to account for reestablishing its root system. Due to space at Alice Peers Park, if we want to plant a new tree, it would behoove us to remove the old tree, though removal of the old tree may not be required.

3a. If there is a desire to move the Holiday Lighting event to Fircrest Park to be closer to the new Community Center, there is also the possibility of using one of the current mature trees along Electron Way at Fircrest Park. This option could be looked into further if this is the direction the City Council wants to go.

This is certainly not an exhaustive list of options but the options staff believed to be most viable. Other options can be considered. The City can also look at some kind of hybrid option.

Subject: Fir Tree at Alice Peers Park

To Whom It May Concern:

I, Michael Harrell, Certified Arborist Pn-6448A, was called to look at a fir tree with Christmas decorations at Alice Peers Park. The tree is 45-50 feet tall, 30-35 feet wide and has a DBH of 36 inches. The tree appears to be in good health with normal annual needle health. The tree had been topped and I did a climbing inspection to look at the topping cut to which the Christmas decorations were bolted. 3-4 feet from the top, the cable which supports the power supply for the Christmas decorations has girdled the tree. At the top, there is a plastic substance that at one point looked to be protecting the topping cut from the weather. However it is no longer serving its intended function and there is a fair bit of decay underneath the plastic substance. In the same location there is a metal structure that holds the Christmas decorations in place with two bolts. One of the bolts is no longer serving its purpose due to the amount of decay in the trunk beneath. I suspect that the column of decay extends 2 feet from the topping cut down into the center of the tree. Just below the cable girdling, there is a 3 inch diameter stub with fungal fruiting bodies on it which indicates further decay. As I was ascending the tree I noticed a fair bit of dead wood in the 2-3 inch diameter range. Depending on the usage of the lawn space under the tree, this could pose a hazard. Please see the attached photos below that illustrate my findings listed above.

Recommendations

To keep the tree healthy and reduce safety hazards, I have several recommendations. The Christmas decorations should be removed and the old topping cut should be reduced by 2-3 feet to remove the column of decay that could be potentially hazardous. All large deadwood needs to be pruned throughout the tree using non-invasive climbing techniques to further reduce harm to the tree. The removal of deadwood will reduce the potential for deadfall hazards during weather events.
