CITY COUNCIL WORKSHOP DISCUSSION

City Manager Pingel briefed the Council on developing a Council Workshop to establish strategic goals for future City projects and objectives. Pingel requested Council feedback on planning and administering a Council workshop. There was a Council discussion regarding whether to have a facilitator and who should participate. There was a general consensus to try to identify a facilitator in the short timeframe before doing an extended July 18th Study Session for the workshop. There was also general consensus that while City staff should attend the workshop, the discussion would be just for the City Council.

ADJOURNMENT

George MOVED to adjourn the meeting at 6:43 P.M., seconded by Bufford. The Motion Carried (7-0).
