Honorable Mayor, Councilmembers and Citizens of Fircrest:

I present to you the City of Fircrest 2023 Adopted Budget. This document addresses the critical issues and mandates facing Fircrest within the limits of the City's resources. As the principal policy statement, the budget is a tool for management, accounting, communications, and planning decisions. In addition, it provides a financial plan and operations guide for implementing the various City programs and services.

What the City of Fircrest does:

- Protects people, homes, businesses
- Manages impacts of growth
- Builds capital facilities
- Collects garbage and recycling
- Maintains and manages streets
- Provides park and recreation activities
- Manages water, sewer, and storm drain
- Protects the environment

Strong effort has been made to maximize the level of public services while minimizing the level of debt and maintaining necessary reserves. 2023 operations are to be funded from 2023 operating revenues. Expenditures and revenues have been budgeted conservatively.

Generally, in June of each year, the City Council holds a Study Session to discuss goals and priorities for the next fiscal year's budget. This provides City staff direction for how to prioritize budget expenditures.

2023 CITY COUNCIL GOALS

- Complete Water Meter Replacements project.
- Update Landscape Policy/Design Standards: Primarily staff time in 2023.
- Complete Park Bond Projects/Complete Fircrest Park Improvements:
 - Fircrest Tennis Courts Resurface: ≈ \$32,000. \$16,000 is funded through a Recreation and Conservation Office (RCO) grant.
 - Fircrest Field Turf and Lighting Improvements: ≈ \$350,000. \$158,500 is funded through an RCO grant.
 - Fircrest Storage Garage: ≈ \$200,000.
 - New Backstops: ≈ \$35,000.
 - Paved Pathways: ≈ \$73,000.
 - Fox Property Improvements: ≈ \$250,000. This is a placeholder number as improvements to the Fox Property have not yet been determined.
- Whittier Park Master Plan: ≈ \$35,000.
- American Rescue Plan Act Projects for 2023:
 - HVAC Improvements at City Hall, Public Safety Building, and Public Works Facility: needs estimate.
 - Sound System for Council chambers.
 - Water Infrastructure.

- Establish Centennial Planning Committee: Staff, Council, and volunteer time for 2023.
- Establish Pool/Community Center Maintenance Fund: I am recommending the City Council establish a designated fund under the General Fund for Pool/Community Center Major Maintenance. For this first year, I recommend the City begin funding it with a portion of our 2022 General Fund savings. The City Council can initiate this with our first budget amendment in 2023 when the budget is adjusted to take into account our actual final revenues and expenditures for 2022.
- Establish a Sustainability Plan: Primarily staff time in 2023.

2023 BUDGET OVERVIEW

- Adds one additional Police Officer.
- Includes a COLA increase of 9.5% for all employees.
- Includes a 10% employee contribution for medical premiums.
- Includes revenue and expenditures for Ruston Court contracted services.

Local government is a labor-intensive service industry and to maintain expected service levels, meet State mandates, perform required preventive infrastructure maintenance, and complete public works projects, the City must have adequate staffing.

PARK BOND CAPITAL FUND

The Park Bond Capital Fund accounts for bond proceeds, donations and expenditures related to the park bond project. A \$2,300,000 loan was executed from the Cumulative Reserve Fund in 2021 for cash flow purposes to complete the project. Donations for the project will be coming in after the pool and community center are completed and will be

used to repay the loan. This budget includes other smaller park bond capital projects that will be completed in 2023.

EQUIPMENT RENTAL AND REPLACEMENT FUND

The Equipment Rental and Replacement Fund provides a central fund from which to acquire and replace needed vehicles and equipment having a value more than \$1,000. Each department is annually charged a year's replacement contribution toward the replacement of their equipment. Thus, when a piece of equipment has expended its useful life, funds should be available for its replacement.

SUMMARY

In summary, the 2023 General Operating Adopted Budget is balanced. Department managers have been conservative in planning their budgets and all departments have tried to balance available funds with expected service levels. They have implemented cost containment wherever and whenever possible.

The Staff has tried to assure accuracy while understanding that legislative or operational events may occur which would cause projections to be inaccurate.

Factors remain that impose real limits on the City's future ability to respond to community needs and wants. Economic development and sustainability continue to be a need to provide quality services and amenities. Both are addressed in the budget. Due to being predominately residential, there is a need to continue to grow and diversify the City's revenue base to meet the needs of the community. The City continues to work on development and redevelopment opportunities within the City. Establishment of form-based code for the northwestern part of the City provides an incredible opportunity for the City, although it is one where we don't control the timing.

By clearly targeting resources and visioning for the future, the City will be able to provide quality services into the future. Especially as a small local government, the City will need to take opportunities to make necessary adjustments to continue to provide a high level of service to residents.

This budget is the result of many hours of preparation and financial projections by department managers and their staff who all worked exceptionally hard to have a balanced budget. On behalf of the entire City staff, we thank you Council and citizens for all your help and the opportunity to be of service to the City of Fircrest.

Sincerely,

Colleen Corcoran
Interim City Manager

BUDGET NARRATIVE

Overtime is divided into four categories. The first type of overtime is used to pay officers who work over 40 hours in a work week. This would include when an officer is subpoenaed into court outside their regularly scheduled hours. Also included in this category is overtime relating to Ruston Court bailiff. The second type is called Major Holiday Compensation and is used for employees required to work on any day recognized as a holiday and paid at the rate of time and one-half for all hours worked on the recognized holiday. The third, Emphasis Patrol Overtime allows for extra patrols in the business districts, parks, neighborhood streets, and traffic enforcement. This program allows the police department to target areas in our city that need extra attention. The fourth type is Reimbursable Overtime. This overtime is reimbursed by another agency and usually targets a problem such as DUI, seatbelt emphasis, etc.

Long Term Care is insurance for LEOFF I retired employees. By law, the City is responsible for retired LEOFF I employees' medical costs including nursing home care for the rest of their lives. The City currently has one LEOFF I retiree.

The Office and Operating Supplies line item is used to purchase items that are unique to the police department and include such things as traffic citations, ammunition, evidence kits, drug test kits, and police forms.

Included in the professional services line item is \$14,794 for an inter-local cooperative agreement with the Pierce County Sheriff's Department. The agreement is made up of \$9,037 for major crime investigation, \$1,967 for Forensic Officers and \$3,790 for the Pierce County Swat Team. K-9 services are performed at no charge. Due to regionalized grants that we have supported we are not charged for Lab teams or Hazardous Device teams. This line item also includes \$6,454 for Lexipol services. Lexipol will allow us to train, implement up-to-date policies incorporating best practices, and will provide us with timely updates in response to new legislation and case law. Also included is \$19,000 for a body camera and taser lease program. The other amount included in this line item is \$7,752 for Police Guild negotiations, contract compliance issues and other attorney fees.

Registration, Tuition and Travel lines include funding for one Officer to attend online classes, and miscellaneous training.

The Repairs and Maintenance line item is for maintaining police radios, computers, and other equipment that is not in ERR. The maintenance and repair of our police radios and other police equipment is done by the Pierce County Communication Center.

The Criminal Justice Funded (CJF) Programs are matched by amounts budgeted in the General Fund revenue budget under CJF-Special Programs.

The Reimbursable Programs line item is for donations or grants to the Police Department and will be spent only if the money is received.

WACIC/NCIC is our police teletype system known as ACCESS. ACCESS provides us with the ability to enter and delete warrants, obtain drivers checks, wanted checks, stolen checks, and is our communicator with other agencies in a secure format.

The Dispatching line item pays for South Sound 911 to provide emergency dispatch services, including E911 for our City. South Sound 911 provides these services for the majority of police agencies in Pierce County.

In November 2022, the Council approved Ordinance #1696 to move the Storm Drain, Water, and Sewer portion of Cumulative Reserves to their respective funds.
