3. Applicant agrees and understands that prior to obtaining a Certificate of Occupancy, all required improvements should have been completed and accepted by the City.

4. No modifications of this agreement shall be made unless mutually agreed upon by the parties in writing.
5. The City may, at its discretion, bring a lawsuit to compel specific performance of the terms of this agreement. In addition to all other remedies available to the City by law, the City reserves the right to revoke its approval of the ADU permit should the Applicant fail to comply with any of the terms and conditions of this agreement.
6. If any condition or covenant herein is not performed by the Applicant, the Applicant hereby consents to entry upon the site by the City, or any entity, individual, person or corporation acting on behalf of the City for purposes of curing said defect and performing said condition or covenant. Should the City in its discretion exercise the rights granted herein to cure said defect, the Applicant, his/her successors and assigns, consent to the entry of the City on the above-described property and waive all claims for damages of any kind whatsoever arising from such activity and the Applicant further agrees to pay the City all costs incurred by the City in remedying said defects or conditions. The obligations contained in this section are covenants running with the land, and burden the successors and assigns of the respective parties. Upon the sale of the property, a new owner shall be required to sign a new affidavit of residency pursuant to Fircrest Municipal Code Title 22.
