

Maintenance Activity Notice

Leach Creek Stormwater Holding Basin

City of Tacoma
Environmental Services Department
326 East D St.
Tacoma, WA 98421

Please be advised that the scheduled maintenance activities at Leach Creek holding basin are underway. For the safety of the public and contractors we ask you stay clear of this area while we complete the required maintenance activities. We anticipate this work to be completed by October 2024.

We appreciate your patience during construction and look forward to the completion of these maintenance improvements.

If you have any questions or concerns regarding the maintenance activities and would like additional information, please feel free to contact:
