

**City of Tacoma**  
Public Works Department

**DATE:** September 23, 2025

**TO:** Occupant / Business

**FROM:** City of Tacoma – Street Operations Division

**SUBJECT:** Road Work / Lane Replacement

---

**ATTENTION:**

The City of Tacoma's Street Operations Division will be performing asphalt repairs on Wednesday, October 1, 2025.

**Location:** South 19th Street, from Orchard Street to Pearl Street.

**Scope of work:** Replacement of the westbound curb lane

- **Hours of work:** 6:30 AM – 6:30 PM
- **Estimated duration:** One day (weather and event dependent)

---

**Traffic Impacts:**

- Lane closures
- Residential street closures
- Restrictions on left turns in some locations

---

**Special Notice to Residents:**

If you live on the north side of S. 19th Street between Orchard and Pearl, we strongly recommend parking on side streets during work hours if you plan to come and go throughout the day. Driveway access will be extremely limited during construction, and we want to minimize any additional inconvenience.

---

**What to Expect:**

- Notice boards will be placed in advance to inform the traveling public.
- All work is weather- and event-dependent; rescheduling may be necessary. Updates will be provided on posted signage and through additional notices if required.

---

We appreciate your patience and cooperation as we complete these necessary repairs

**For questions or concerns, please contact:**

Project Supervisor Thomas Adams
